Smooth Speech Intensive Program

Am I able to attend?
The Smooth Speech Intensive Program is an appropriate, effective treatment for anyone experiencing difficulty with communication skills as a result of a stutter who has not previously undergone Smooth Speech treatment. Individuals who are aged 12 years and older are invited to register for the program.

What fluency treatment will I receive?
- The program will involve learning and practising Smooth Speech to alter your speech pattern
- Smooth Speech is one of the most widely used treatments for stuttering and has the best evidence for effectiveness in the short and long term
- Individually tailored to suit your current fluency needs
- Students will conduct treatment under the close supervision of qualified and experienced Speech Pathologists.

Treatment Days:
Inclusive Monday to Friday

Treatment Dates:
School holidays before Term One
School holidays between Terms Two and Three

Service:
35 hours of individual and group therapy over five days. Attendance on all five days of the program is required.

Smooth Speech Booster Program

Am I able to attend?
The Smooth Speech Booster Program is an appropriate, effective treatment for anyone experiencing difficulty with communication skills as a result of a stutter. This program is suitable for those who have recently undergone Smooth Speech treatment and require further consolidation of their Smooth Speech skills. Individuals who are aged 12 years and older are invited to register for the program.

What fluency treatment will I receive?
- The program will involve practising and consolidating Smooth Speech to alter your speech pattern
- Smooth Speech is one of the most widely used treatments for stuttering and has the best evidence for effectiveness in the short and long term
- Individually tailored to suit your current fluency needs
- Students will conduct treatment under the close supervision of qualified and experienced Speech Pathologists.

Treatment Days:
Monday and Wednesday

Treatment Dates:
School holidays before Term One
School holidays between Terms Two and Three

Service:
16 hours of individual and group therapy over two days. Attendance on both days of the program is required.
